Accreditation Follow-Up Report Due March 2017 - Attached

SBCC had a successful Accreditation visit in fall 2015, after which our accreditation was reaffirmed for a period of 18 months, an outcome shorter than the expected six years, but experienced by nearly all other colleges successfully accredited in this same cycle. We received 11 commendations, as well as five recommendations: three for more closely meeting specific standards, and two for improving institutional effectiveness. We are required to submit this Follow-Up Report in March 2017, after which we expect to receive reaffirmation of the continuance of our accreditation for the remainder of the current six-year cycle. Our midterm report is due in fall 2018, and our next accreditation visit will be fall 2021.
