

IN CELEBRATION

ROBERT CASIER

90 YEARS

August 7, 2016

The SBCC Legacy project Committee wishes to honor Professor Emeritus of Political Science, Robert Casier, on the occasion of his 90th birthday.

In his tenure at SBCC from 1955-1993 Dr. Casier was one of the most distinguished of the first generation of instructors during the institution's formative years. He played a vital role in the development of the Instructor's Association and the Academic Senate, served as Academic Dean and was selected as the college's first Faculty Lecturer.

Dr. Casier also contributed a lengthy personal memoir to the Legacy Project which will help preserve the history of the evolution of the institution.

Congratulations, Dr. Casier and thank you for the great contributions you have made to the college.
